

Trade Name: EUCOPREV B SALT
Version: 1
Revision Date: 08.09.2020

SECTION 1: Identification of the substance / mixture and of the company / undertaking

1.1. Product identifier

EUCOPREV B SALT

1.2. Relevant identified uses of the substance or mixture and uses advised against

Use of the substance/mixture

The product is intended for professional use. Building and construction work.

Uses advised against

No identified use(s).

1.3. Details of the supplier of the safety data sheet

EUCCHEM BV
ESPERANTOLAAN 13/7
B-3300 TIENEN
BELGIUM
Tel.: +32.16.81.11.52
E-Mail: office@eucochem.com

1.4. Emergency telephone number

+32 70 245 245

SECTION 2: Hazards identification

2.1. Classification of the substance or mixture

The product is not classified according to the CLP regulation.

2.2. Label elements

Labelling according to Regulation (EC) No 1272/2008 (CLP)

None.

2.3. Other hazards

None.

SECTION 3: Composition / information on ingredients

3.1. Chemical Composition:

Synthetic rubber blend, based on butyl rubber, sodium bentonite and plasticizer

This mixture does not contain notifiable substances according to the criteria of 3.2 of Annex II of REACH.

CONTAINS NO HAZARDOUS INGREDIENTS

Trade Name: EUCOPREV B SALT
Version: 1
Revision Date: 08.09.2020

SECTION 4: First aid measures

4.1. Description of first aid measures

General notes

In case of doubt or with persisting symptoms obtain medical attention.

Following eye contact

Any material entering the eye should be rinsed with large amounts of water.

Following inhalation

Unlikely to be happen.

Following skin contact

Wash with plenty of water and soap.

4.2. Most important symptoms and effects, both acute and delayed

No specific hazards are encountered under normal product use.

4.3. Indication of any immediate medical attention and special treatment needed

No information available.

SECTION 5: Firefighting measures

5.1. Extinguishing media

Suitable extinguishing media

Water, water/foam, ABC fire extinguishing powder

5.2. Decomposition product

Combustion products include carbon monoxide, carbon dioxide, water, low molecular products and various hydrocarbons.

5.3. Protection of firefighters

Respiratory and eye protection is required. Positive pressure self contained breathing apparatus (SCBA) must be used. No personnel may expose himself/herself to vapors or smoke without SCBA

5.4. Inhalation:

When fumes of burning material have been inhaled:

- Move person to fresh air.
- Rest in half upright position.
- Loosen clothing.
- Keep warm.

Trade Name: EUCOPREV B SALT
Version: 1
Revision Date: 08.09.2020

SECTION 6: Accidental release measures

6.1. Land and water spills

Recover spilled material and place in suitable containers for recycling or disposal. Handle as a solid waste. Do not flush into public sewer or water system. Consult an expert on disposal of recovered material and ensure conformity to local disposal laws and regulations.

SECTION 7: Handling and storage

7.1 Storage temperature (°C)

Ambient – keep cartons dry and closed.

7.2. Transport temperature (°C)

Ambient

7.3. Loading temperature (°C)

Ambient.

7.4. Storage

According to ISO Standard 2230

SECTION 8: Exposure controls / personal protection

8.1. Control parameters

The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.

8.2. Exposure controls

Eye/face protection

While handling wearing of safety glasses is recommended.

Respiratory protection

Not needed for normal use.

Skin/body protection

Avoid skin contact and wear protective gloves.

Environmental exposure controls

No information available.

Trade Name: EUCOPREV B SALT
Version: 1
Revision Date: 08.09.2020

SECTION 9: Physical and chemical properties

9.1. Information on basic physical and chemical properties

Physical state: Solid
Appearance: Green, black and red (salt variant)
Melting point: Not determined
Boiling point: Not determined
Vapour pressure: Not applicable
Vapour density: Not applicable
Evaporation rate: Not applicable
Specific gravity: 1,45 g/cm³
Solubility in water: Insoluble
Explosion limit: Not applicable

SECTION 10: Stability and reactivity

10.1. Reactivity

Stable under normal conditions.

10.1. Chemical stability

Stable under normal conditions.

10.2. Possibility of hazardous reactions

None known.

10.3. Conditions to avoid

None known.

10.4. Incompatible materials

None known.

10.5. Hazardous decomposition products

None known.

SECTION 11: Toxicological information

11.1. Information on toxicological effects

According to our experience no toxicological effects are to be expected in case of exposure to this product, when it is handled following the prescriptions of the technical data sheet and this MSDS

Trade Name: EUCOPREV B SALT
Version: 1
Revision Date: 08.09.2020

SECTION 12: Ecological information

Not biologically degradable
Not classified as dangerous to the environment

SECTION 13: Disposal considerations

Waste treatment methods

Treat as a solid waste
Before disposal, ensure conformity to local disposal laws and regulations

SECTION 14: Transport information

Loading/unloading temp. : Ambient
IMO (Int. Maritime Org.) class : None
IATA (Int. Air Transp. Assoc.) class : None
EEC classification/symbol : Non regulated
ADR/RID class : None
U.S.DOT classification : Non regulated
Treatment : This product is not defined as hazardous by any current provision or classification

SECTION 15: Regulatory information

Labeling : No labeling required under EEC directives 88/379/EEC

SECTION 16: Other information

Additional information

This safety information sheet has been compiled in accordance with annex II/A of the regulation (EU) No 2015/830. Classification has been calculated in accordance with European regulation 1272/2008 with their respective amendments. It has been compiled with the utmost care. We cannot, however, accept responsibility for damage, of any kind, that may be caused by using these data or the product concerned. To use this preparation for an experiment or a new application, the user must carry out a material suitability and safety study himself.
