

Commercial name: EUCOPREV S 4V
Version: 1
Date of effect: 24/08/2020

SECTION 1: Name of the substance resp. the mixture and the company

1.1. Product identification

EUCOPREV S 4V

1.2. Relevant identified uses of the substance or mixture and applications which are advised against

Application of the substance / the mixture

The product is intended for professional use. Building products.

Applications which are advised against

No identified application.

1.3. Information regarding the supplier, providing the safety data sheet

EUCCHEM BV
ESPERANTOLAAN 13/7
B-3300 TIENEN
BELGIUM
Tel.: +32.16.81.11.52
E-Mail: office@eucochem.com

1.4. Emergency number

+32 70 245 245

SECTION 2: Hazards identification

2.1. Classification of the substance or mixture

The substance is classified as not dangerous according to Regulation (EG) N° 1272/2008.

2.2. Label elements

Labelling according to Regulation (EG) N° 1272/2008 (CLP)

Not applicable

2.3. Other risks

No information available.

SECTION 3: Composition / information on ingredients

3.2. Mixture

This mixture contains no notifiable substances according to the criteria of 3.2 of Annex II of the REACH-Regulation.

Commercial name: EUCOPREV S 4V
Version: 1
Date of effect: 24/08/2020

SECTION 4: First Aid Measures

4.1. Description of first aid measures

After eye contact

No special actions required.

After eye contact

Immediately flush eyes under running water for several minutes. If irritation persists, consult a doctor.

After inhalation

Supply fresh air. Consult a doctor if symptoms occur.

After skin contact

The product does not irritate the skin. No special actions required. Consult a doctor if irritation occurs or persists.

After ingestion

No special actions required. Consult a doctor if a large amount is swallowed.

Self-protection of the first aider

First aiders: Pay attention to self-protection !

4.2. Most important symptoms and effects, both acute and delayed

No information available.

4.3. Indication for immediate medical attention or special treatment

No information available.

SECTION 5: Firefighting measures

5.1. Extinguishing agents

Suitable extinguishing agents

Water spray, carbon dioxide (CO₂), foam. Use all media that are suitable for surrounding fires.

5.2. Special hazards arising from the substance or the mixture

May burn, but does not light easily. In the event of fire and / or explosion, do not inhale toxic gases or vapours.

5.3. Advice for fire-fighters

No information available.

Commercial name: EUCOPREV S 4V
Version: 1
Date of effect: 24/08/2020

SECTION 6: Accidental release measures

6.1. Personal precautions, protective equipment and procedures in case of emergencies

Not mandatory

6.2. Environmental protection measures

No information available.

6.3. Methods and material for containment and cleaning up

Dispose of the material in a suitable waste container.

6.4. Reference to other sections

Information for safe handling, see section 7.

Information for personal protective equipment, see section 8.

Information for disposal, see section 13.

SECTION 7: Handling and storage

7.1. Precautions for safe handling

Advice for safe handling

Use personal protective equipment. Provide adequate ventilation. Keep away from heat and flames.

7.2. Conditions for safe storage, including any incompatibilities

Requirements for storage rooms and containers

Storage rooms should have ventilation.

7.3. Specific end uses

Construction chemical applications

SECTION 8: Exposure controls / personal protection

8.1. Control parameters

Additional information on limit values

Does not contain any substances in quantities above the concentration limits for which an occupational exposure limit has been established.

8.2. Limiting and controlling exposure / personal protective equipment

General hygiene measures

The usual hygiene measures for handling these products must be observed.

Respiratory protection

Use respiratory protection if there is insufficient ventilation.

Commercial name: EUCOPREV S 4V
Version: 1
Date of effect: 24/08/2020

Eye / face protection

Use eye protection. Provide eyewash device.

Hand protection

Not required for normal use. Use normal hand protection in the event of thermal heating.

Skin / body protection

Not required for normal use. Use normal skin and body protection in the event of thermal heating.

Limiting and controlling environmental exposure

No information available.

SECTION 9: Physical and chemical properties

9.1. Information on basic physical and chemical properties

Physical state:	solid
Colour:	blue
Water solubility:	Not soluble

SECTION 10: Stability and reactivity

10.1. Reactivity

Stable under normal conditions.

10.2. Chemical stability

No particular risks to mention.

10.3. Possibility of hazardous reactions

No particular risks to mention.

10.4. Conditions to avoid

No particular risks to mention.

10.5. Incompatible materials

No particular risks to mention.

10.6. Hazardous decomposition products

In the event of thermal decomposition, carbon dioxide and carbon monoxide can be released.

SECTION 11: Toxicological information

11.1. Information on toxicological effects

No toxicological data are available.

Commercial name: EUCOPREV S 4V
Version: 1
Date of effect: 24/08/2020

SECTION 12: Ecological information

12.1. Toxicity

No information available.

12.2. Persistence and biodegradability

No information available. Based on its physical properties no significant environmental persistence is to be expected.

12.3. Bioaccumulative potential

No information available. Based on its physical properties no significant bioaccumulation is to be expected.

12.4. Mobility on the ground

The product is not soluble. Based on its physical properties, only low mobility on the ground is to be expected.

12.5. Results of the PBT and vPvB-assessment

The substances in the mixture do not meet the PBT / vPvB criteria according to REACH, Annex XIII.

12.6. Other harmful effects

No data available.

SECTION 13: Disposal considerations

13.1. Procedure for waste treatment

Waste disposal taking into account all applicable international, national and local laws, ordinances and guidelines. For waste disposal within the EU, the applicable waste code according to the European waste catalogue (EWC) must be used.

SECTION 14: Transport information

14.1. Land transport (ADR (RID))

Not hazardous according to these transportation regulations.

14.2. Inland waterway transport (ADN)

Not hazardous according to these transportation regulations.

14.3. Sea transport (IMDG)

Commercial name: EUCOPREV S 4V
Version: 1
Date of effect: 24/08/2020

Not hazardous according to these transportation regulations.

14.4. Air transport (IATA)

Not hazardous according to these transportation regulations.

SECTION 15: Regulatory information

15.1. Safety, health and environmental regulations / specific legal regulations for the substance or mixture

The substance is classified as not dangerous according to Regulation (EG) N° 1272/2008.

15.2. Safety assessment

No substance safety assessment was carried out.

SECTION 16: Other information

Additional information

The information in this safety data sheet corresponds to the best of our knowledge at the time of printing. The information is intended to provide guidelines for the safe handling of the product named in this safety data sheet during storage, processing, transport and disposal. The information is not transferable to other products. If the product is mixed or processed with other materials, the information in this safety data sheet cannot be transferred to the new material produced in this way, unless otherwise stated. The information is based on our current level of knowledge, but does not represent any assurance of product properties and does not establish any contractual legal relationship. It is the responsibility of the recipient of our products to observe existing laws and regulations.
