

Trade name: EUCOPROOF BITUM 2C F - A  
Version: 1  
Revision date: 8-10-2020

## SECTION 1: Identification of the substance / mixture and of the company

### 1.1. Product identification

EUCOPROOF BITUM 2C F - A

### 1.2. Relevant identified uses of the substance or mixture and uses advised against

#### Use of the substance / mixture

The product is intended for professional use. Building products.

#### Uses advised against

No identified use.

### 1.3. Details of the supplier of the safety data sheet

EUCCHEM BV  
ESPERANTOLAAN 13/7  
B-3300 TIENEN  
BELGIUM  
Tel.: +32.16.81.11.52  
E-Mail: office@eucochem.com

### 1.4. Emergency telephone number

+32 70 245 245

## SECTION 2: Hazards identification

### 2.1 Classification of the substance or mixture

#### Classification according to Regulation (EC) n° 1272/2008 (CLP)

The mixture is classified as not dangerous according to regulation (EC) n° 1272/2008 (CLP).

### 2.2 Label elements

Not applicable.

### 2.3 Other hazards

No information available.

## SECTION 3: Composition / Information on ingredients

### Mixture

This mixture contains no notifiable substances according to the criteria of 3.2 of Annex II of the REACH regulation.

Trade name: EUCOPROOF BITUM 2C F - A  
Version: 1  
Revision date: 8-10-2020

## SECTION 4: First aid measures

### 4.1 Description of first aid measures

#### General information

Take off dirty, soaked clothes and shoes immediately. If medical advice is required, have the packaging, identification label or safety data sheet ready.

#### After inhalation

Bring person to fresh air, keep warm, let rest. Medical assistance required if breathing is difficult.

#### After skin contact

Wash immediately with plenty of water and soap. If symptoms persist, contact a doctor.

#### After eye contact

Immediately rinse with running water for 10 to 15 minutes with the eyelid wide open. Remove contact lenses, if possible. Continue rinsing. See an ophthalmologist.

#### After ingestion

Do not induce vomiting. Rinse out mouth with plenty of water and then drink in small sips (only if person is conscious). It can be given activated charcoal suspended in water or petroleum jelly for medicinal purposes. Get medical help immediately.

#### Self-protection of the first aider

First aiders: Pay attention to self-protection!

### 4.2 Most important symptoms and effects, both acute and delayed:

No information available.

### 4.3 Indication of any immediate medical attention or special treatment

Symptomatic treatment.

## SECTION 5: Fire fighting measures

### 5.1 Extinguishing agents

#### Suitable extinguishing media

Carbon dioxide (CO<sub>2</sub>), extinguishing powder, water spray.

Trade name: EUCOPROOF BITUM 2C F - A  
Version: 1  
Revision date: 8-10-2020

---

**Unsuitable extinguishing media**

Full water jet.

**5.2 Specific hazards arising from the substance or mixture**

**Hazardous combustion products**

Not flammable. Do not inhale the explosion or combustion gases. The smoke from fire may contain substances from the original material or other unidentified toxic and/or irritating compounds.

**5.3 Advice for fire-fighters**

In the even of fire fighting, breathing protection with independent air supply and tightly fitting chemical protective suit required.

**Additional information**

Contain contaminated fire fighting water separately. Do not discharge into drains or rivers.

## SECTION 6: Accidental release measures

**6.1 Personal precautions, protective equipment and emergency procedures**

**Emergency services**

Provide adequate ventilation. Wear personal protection.

**6.2 Environmental protection measures**

Do not allow to get into bodies of water, sewage or the soil.

**6.3 Methods and materials for containment and cleaning up**

Soak up with absorbent or organic material or sand. Wash of with plenty of water. Treat the absorbed material according to the section on waste disposal.

**6.4 Reference to other sections**

Information on safe handling, see section 7.

Information on personal protective equipment, see section 8.

Information on disposal, see section 13.

## SECTION 7: Handling and storage

**7.1 Precautions for safe handling**

Trade name: EUCOPROOF BITUM 2C F - A  
Version: 1  
Revision date: 8-10-2020

---

**Advice for safe handling**

Do not inhale gases / smoke / vapours / aerosols.

**Measures to prevent fire and explosions**

No special precautions required.

**7.2 Conditions for safe storage, including any incompatibilities**

**Requirements for storage rooms and containers**

Provide adequate ventilation.

**Advice on common storage**

Keep away from food.

**Storage class**

12 (non-flammable liquids).

**Further information on storage conditions**

Keep containers tightly closed. Store at temperatures above 5°C.

**7.3 Specific end uses**

No information available.

**SECTION 8: Exposure controls / personal protective equipment**

**8.1 Control parameters**

**Occupational exposure limit values (TRGS 900)**

No indication of occupational exposure limit values according to Directive 2006/121/EC required.

**8.2 Exposure controls**

**Appropriate technical control equipment**

No special technical protective measures are required.

**Personal protection**

**General protective and hygiene measures**

Take off dirty, soaked clothes immediately. Create and observe a skin protection plan! Wash hands and face thoroughly before breaks and at the end of work, shower if necessary. Do not eat, drink, smoke or sniff on the work place.

Trade name: EUCOPROOF BITUM 2C F - A  
Version: 1  
Revision date: 8-10-2020

---

**Eye / face protection**

Goggles according to EN 166.

**Skin protection**

Wear suitable protective clothing when working.

**Hand protection**

Protective gloves in accordance with EN 374. Nitrile rubber (NBR) Permeation time (maximum wearing time): >480 min. The information provided by the manufacturer of the protective gloves on permeability and breakthrough times must be observed.

**Respiratory protection**

For fine distribution/spraying/misting: Filtering half mask (EN149).

**Limitation and supervision of environmental exposure**

No information available.

## SECTION 9: Physical and chemical properties

**9.1 Information on basis physical and chemical properties**

Physical state:	pasty
Colour:	black
Odour:	characteristic
pH value:	9 - 11
Relative density:	1,2 g/cm <sup>3</sup> at 23 °C
Solubility:	miscible
Viscosity, dynamic:	250,000 mPa.s at 23 °C

**9.2 Other information**

No information available.

## SECTION 10: Stability and reactivity

**10.1 Reactivity**

No dangers to mention.

**10.2 Chemical stability**

No dangers to mention.

Trade name: EUCOPROOF BITUM 2C F - A  
Version: 1  
Revision date: 8-10-2020

---

**10.3 Possibility of hazardous reactions**

No dangers to mention.

**10.4 Conditions to avoid**

No dangers to mention.

**10.5 Incompatible materials**

No dangers to mention.

**10.6 Hazardous decomposition products**

No dangers to mention.

## SECTION 11: Toxicological information

**11.1 Information on toxicological effects**

No information available.

## SECTION 12: Environmental information

**12.1 Toxicity**

No data available.

**12.2 Persistence and degradability**

The product is not easily biodegradable.

**12.3 Bioaccumulative potential**

Based on the available data on eliminability / degradation and bioaccumulation potential, long-term damage to the environment is unlikely.

**12.4 Mobility in soil**

No data available.

**12.5 Results of the PBT and vPvB assessment**

The mixture does not meet the criteria for classification as PBT or vPvB.

**12.6 Other environmental effects**

No data available.

Trade name: EUCOPROOF BITUM 2C F - A  
Version: 1  
Revision date: 8-10-2020

---

**Additional ecotoxicological information**

Do not let into sewage system undiluted or in large quantities.

**SECTION 13: Disposal considerations**

**13.1 Waste treatment methods**

Disposal taking into account all applicable international, national and local laws, ordinances and statutes. For disposal within the EU, the applicable waste code according to the European Waste Catalogue (EWC) must be used. Uncontaminated and completely emptied packaging can be recycled. Treat contaminated packaging like the substance.

**SECTION 14: Transport information**

**14.1 Land transport (ADR(RID))**

Not hazardous according to these transportation regulations.

**14.2 Inland waterway transport (ADN)**

Not hazardous according to these transportation regulations.

**14.3 Sea transport (IMDG)**

Not hazardous according to these transportation regulations.

**14.4 Air transport (ICAO-TI / IATA-DGR)**

Not hazardous according to these transportation regulations.

**SECTION 15: Regulatory information**

**15.1 Safety, health and environmental regulations / legislation specific for the substance or mixture**

**National regulations**

**Water hazard class**

1 - slightly hazardous to water (classification accord. AwSV, Annex 1 No. 5.2))

**15.2 Chemical safety assessment**

No chemical safety assessment was carried out.

Trade name: EUCOPROOF BITUM 2C F - A  
Version: 1  
Revision date: 8-10-2020

## SECTION 16: Other information

### **Additional information**

The information in this safety data sheet corresponds to the best of our knowledge at the time of printing. The information is intended to provide guidelines for the safe handling of the product named in this safety data sheet during storage, processing, transport and disposal. The details are not transferable to other products. If the product is mixed or processed with other materials, the information in this safety data sheet cannot be transferred to the new material produced in this way, unless otherwise stated. The information is based on our current level of knowledge, but does not represent any assurance of product properties and does not establish a contractual legal relationship. It is the responsibility of the recipient of our products to observe existing laws and regulations.
